Westwind Sailing was created in 1987 to work in cooperation with the County of Orange, OC Sailing & Events Center in providing safe boating and sailing education for the general public. Its dedicated and passionate staff helped grow Westwind Sailing and expand to new locations and communities – most notably Lake Mission Viejo in 1998. Twenty years and 25,000 students later, we are still committed to our students and our mission:

“To provide community sailing & boating safety education and to inspire responsibility for the aquatic environment; to promote overall health and wellness through sailing & boating instruction; and to create an atmosphere that is safe, fun and encourages personal success.”

- All our programs have ‘water safe’ requirements. For ‘water safe’ details and a list of ‘Things to Bring’ Please consult the download section of our website or call our office. We’re glad to help.
- Preregistration is required for all our programs unless indicated.
- Supply fees are due on the first day of class.

- All our youth programs operate a strict ‘check in/check out’ policy. Some programs permit ‘self check in/out’. Fees apply for late pick up. Check in/out info available in the downloads section of our website.

Scholarships are available for selected Jr. Programs. Please contact Westwind Sailing for more information.

***These activities are not CUSD, SVUSD, or LBUSD sponsored and involvement or participation in the activity is at the discretion of the parent or student. These flyers are not printed at district expense.**
