OC SAILING AND EVENTS CENTER
Aquatic Program Participants
Informed Consent

will be participating in an activity that could include contact with ocean and/or bay waters. Southern Californian
lean most of the time as indicated by water quality testing. Long-term postings currently exist to advise the public
ble risks associated with contamination from urban runoff at Baby Beach in Dana Point Harbor and Doheny State
: water quality which necessitates a closure of these waters, there may be an adjustment to the planned program c
chure due to the impacts of these water quality issues.
